The Most Asked Question.....The Name

By ancient customs, The Sovereign owns the Swans on the River Thames, but additionally The Vinters and Dyers companies each have the right to a game. From 1878 - 1996 when the young cygnets were born, they were marked with one nick, or two nicks on the beak, according to the markings of their parents. One nick denotes ownership by the Dyers and two nicks by the Vinters, these marks eventually grew out and disappeared as they grew. So now you understand the origin of the "Swan with Two Nicks"!
